

UUC ART COMMITTEE QUESTIONNAIRE

Has your taste in fine art changed? Do you have more artwork in your collection than wall space? Would you like to make a special contribution to UUC? If you answered yes to these questions, here's your opportunity!

The Art Committee at UUC was recently approached with a novel idea: Would we consider holding a month-long show of artwork church members no longer wanted and were willing to sell, with all proceeds donated to the church?

To pursue this idea, the Art Committee is considering an exhibition and sale of two-dimensional artwork -- paintings, watercolors, pastels, colored pencil, fine art prints (e.g., lithographs, etchings, woodblock or linoleum prints), fabric art, photographs, and so forth -- and assessing the interest level with this survey.

Details for the donated art:

- All work must be original and not a reproduction
- Artwork and frame must be in very good or excellent condition
- All donated pieces must be framed, ready for hanging
- No clip frames or sawtooth hangers
- Fabric art, while not framed, must be outfitted so it can be hung
- All submitted artwork will first be subject to Art Committee review
- **Any artwork not selected for the exhibition or not sold will be returned to its original owner.**

If you are interested in participating, please help us plan this exhibition by answering the questions on the back, and **return this survey by June 15th** to the *Survey Folder* in *Art Committee Mailbox* in the Church Office, or mail it to *University Unitarian Church, 6555 - 35th Avenue, Seattle WA 98115.*

Thank you!
The UUC Art Committee
